

v 3 Reflects updates based on approved locality funding and requires a board vote. FY23 locality funding is \$1,033,042 less than requested (\$11,101 less than approved FY22 funding); the following adjustments result in a balanced budget request.

- 1) The Salary line item has been cut \$24,612 from our original request due to updated staffing numbers. It still includes the proposed staff raises.
- 2) The Benefits line item has been reduced \$436,719 from our original request due to the removal of the requested benefits expansion as well as a change in our health care plan due to increased costs.
- 3) The Books and Materials budget has been reduced \$276,367 from our original request due to cuts in local funding.
- 4) Other line items have been reduced a total of \$295,344 from our original request due to cuts in local funding.

v 2 Presented to the Board on December 12, 2021 and approved on December 12, 2021.

- 1) The Benefits line item has been reduced by \$17,270 due to a recalculation of medical insurance cost. The FY23 Proposed Budget v 1 included an anticipated 5% increase to medical insurance. After reviewing the Virginia Bureau of Insurance 2022 Rate Summary report for ACA Small-Group Markets, the increase was reduced to 4% resulting in a decrease to the line item. The decrease to the line item also decreased the Total Budget Expenditure by \$17,270, resulting in a smaller overall FY23 Budget increase.
- 2) Anticipated State Aid for FY23 increased by \$4,298 thereby lowering the local funding request by the same amount. Fredericksburg, Spotsylvania, and Stafford's requested funding amounts decreased by approximately 0.20%. Westmoreland County's increase was unaffected due to their different funding formula.

v 1 Original request presented to Board on September 13, 2021 and approved on September 13, 2021.

CRRL's overall budget request for FY23 is 8.35% more than FY22. This budget includes all Budget Goals presented to the Board of Trustees at the June 14, 2021 meeting.

Localities - Circulation percentages are calculated using the most recent full calendar year of statistics per the Agreement; the FY23 budget uses calendar year 2020 circulation figures.

- * Fredericksburg: Fredericksburg's use decreased to 11.86% of CRRL's total circulation; their overall budget increase as compared to their FY22 funding is 10.43%.
- * Spotsylvania: Spotsylvania's percentage of use decreased to 38.76%; their overall budget increase is 7.94% as compared to their FY22 funding.
- * Stafford: Stafford residents accounted for 49.38% of the total circulation, an increase over FY22. Their overall budget increase is 9.56% as compared to their FY22 funding.
- * Westmoreland: Westmoreland's total increase for FY23 is 4.90% as compared to their FY22 funding.

Salaries - The Salary line item includes the following Budget Goals:

- * Increase Library Clerk I salary by 15% and Library Clerk II salary by 7.5%, effective July 1, 2022 to offer more competitive salaries.
- * Increase Page salary scale to meet the State of Virginia mandated increase of the minimum wage to \$12.00 per hour, effective July 1, 2022.
- * 3% COLA salary increase for all other positions, effective July 1, 2022.

Benefits - The Benefits line item includes the following Budget Goals:

- * Increase 457(b) cash match by \$20.00 to a \$50.00 maximum per pay period.
- * Increase the PEHP percentage to 1.5% of eligible employees' pay and expand eligibility to include employees who work 25 or more hours per week.
- * Expand HSA health insurance eligibility to employees who work 25-29 hours per week.

An increase in health insurance costs is anticipated and the FY23 request also includes a 4% increase to medical insurance and a 2.5% increase to dental and vision to cover those costs. The Virginia Bureau of Insurance 2022 Rate Summary report for ACA Small-Group Markets showed a potential rate increase range for Anthem of -1.10% to 7.70%. Note: the Rate Summary report is specific to the Small Group Market on the insurance marketplace which does not apply directly to CRRL. However, the report is a solid indicator of insurance rates and has been recommended for forecasting our increases.

Books & Materials -

- * The Books & Materials line item is increased by \$100,000 to continue to meet demand.

Other Line Items -

- * General Supplies is increased by \$32,977 to restore to the original FY22 budgeted level (before reduction due to funding shortfall).
- * Furniture & Equipment is increased by \$49,668 to restore to original FY22 budgeted funding (before reduction due to funding shortfall).

Circulation refers to items checked out by library borrowers. Circulation is automatically generated when an item is checked out or renewed by a customer whether it is a physical item or an electronic one.

Fredericksburg, Spotsylvania, and Stafford -

In calculating the percentage of use for Fredericksburg, Spotsylvania, and Stafford based on circulation, only the circulation for those localities is examined. Use by residents of other jurisdictions is excluded from the calculation. The most recent complete calendar year of circulation is used to calculate use percentages.
