

Trust of Christopher Finley and Mary Campbell Finley

In the second half of FY2023, CRRL received a generous bequest from the Trust of Christopher Finley and Mary Campbell Finley (aka the Finley Trust) in the amount of \$249,000 to be used “for the mission and outreach of the library as determined by the library’s Trustees.”

After assessing systemwide needs and considering how best to meet our [strategic plan](#) goals, we propose partial use of the trust for the following:

Proposal	Period of time / Notes	Total estimate cost
Privacy Pods @ Porter, Salem Church and Fredericksburg branches	4 pods (2 single and 2 double)	37,050.00
IdeaSpace rent	2 years - FY24 & FY25	55,168.61
Library on the Go Van RetroFit	LOTG Westmoreland	20,000.00
Storywalk	@ MT before the end of FY24	6,200.00
Picnic Tables	@ MT before the end of FY24	3,850.00
	Total	122,268.61

We plan to bring an additional proposal for the remaining amount (\$126,731.39) to the next Board meeting in March 2024. As always, we value your thoughtful consideration and support.

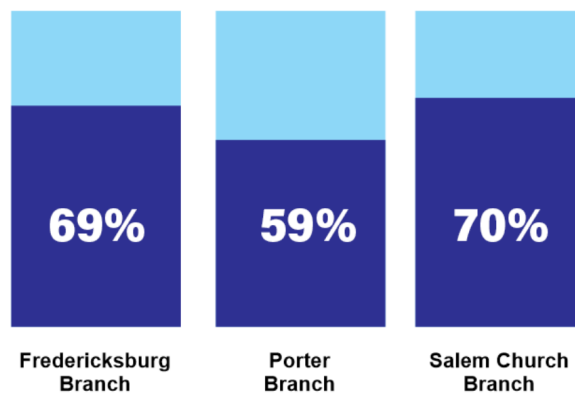

Privacy Pods

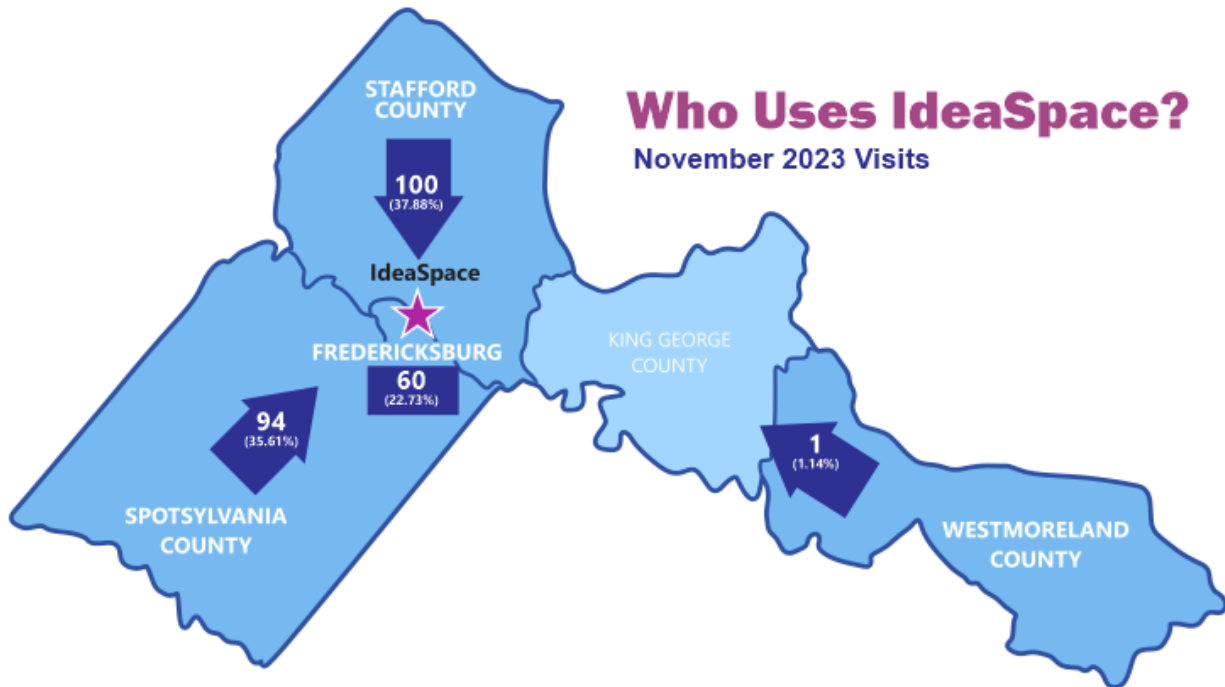

Typical Usage

- Grandparents video meeting with grandchildren
- Watching family members playing in sports games
- Interviewing job applicants
- Telehealth appointments

Study Room Usage

IdeaSpace: Making+Media
